

BOARD OF GOVERNORS – Board Effectiveness

Policy # **BE 1 Guiding Principles**

Effective Date: February 27, 2017

Next Mandatory Review Date: 2020-2021

Frequency of Reviews: Every three (3) years

The Medicine Hat College Board of Governors recognizes **stewardship as an important value essential to the effectiveness of board governance.**

The Board shall maintain and apply Board Effectiveness policies, which direct:

1. definition of the governance model;
2. assessment of needs of individual Board members and the Board as a whole;
3. identification of required diversity of skills and knowledge;
4. continuous improvement strategies including mechanisms for evaluation of Ends, Outcomes, KPI's, related activities; and
5. processes for recruitment, orientation and performance improvement.
