TUITION AND FEES

Description of Fees

Application Fee

A \$60 application fee is required if you are applying to Medicine Hat College.

Grade Reappraisal Fee

If an Academic Appeals Committee is established as part of a formal grade appeal to reappraise your mark, you will need to pay \$25 in advance. This fee will be returned to you if the appeal is successful.

Library Fines

Library fines are assessed on overdue materials, multi media equipment, and items with holds.

The college restricts the accounts of students with overdue material or outstanding fines. Students with restricted accounts cannot register in classes or request transcripts.

Non Instructional Services Fee (NISF)

A NISF fee is levied for each credit taken. This fee enables access to campus athletic facilities, campus recreation programming, and to health and wellness services such as personal counselling.

Parchment Replacement Fee

If you have previously received a certificate, diploma, applied degree or degree parchment from Medicine Hat College and require replacement because of loss or a legal name change, you will need to submit \$25 and a formal, written request for replacement.

Prior Learning Assessment and Recognition (PLAR) Fee

If you wish to challenge a course, you will need to pay 50% of the course tuition and fees, after obtaining the approval of the instructor, the Dean and the Registrar.

Registration Deposit or First tuition installment

A non-refundable first tuition installment or deposit is due upon receiving your offer of admission. You should review your letter of offer carefully and meet the requirements and deadlines to accept your seat. Deposits and installments are directly applied to first semester tuition.

Student ID Card Replacement Fee

You will need a photo student ID card to access the Library, the Athletics facilities, the computer labs, and the Crave Pub. Replacement cards are \$5 each. Cards are issued at the Library.

Tuition Fees

Tuition fees are based on the credit value of courses. Course credits are determined by the number of instructional hours in a course. For further information, consult the course descriptions and the fee schedule in this calendar.

Additional Student Fees

Some specific programs may have additional costs (for example, for certifications). This amount may vary depending on individual needs. When applying for a student loan, the required additional costs are calculated in the estimates for student loan expenses.

Books

The cost of required textbooks varies from course to course. The price of required textbooks is available at the Bookstore.

Breakage

There will be a fee assessed for damage to furniture, apparatus, books, etc. Such charges must be paid before you may register for a new semester.

International Health and Dental Plan

Guard.me health insurance is provided to international students, students wishing to study abroad and faculty and staff working abroad.

International students in credit courses are automatically charged for the mandatory insurance upon registration of courses. Students are charged \$190 per semester for each of the Fall 2018, Winter 2019 and Spring 2019 terms. Students not enrolled in full time courses during the Spring semesters are not automatically enrolled for coverage. Students wishing to maintain coverage over the Spring and Summer semesters must apply for continued coverage with the International Education and Diversity Office. Students must collect their health insurance card each semester from the International Education and Diversity Office. Information and claim forms regarding Guard.me health insurance can be found at the International Education and Diversity Office or at www.guard.me

Students' Association Fees

These fees are authorized by student referendum and the Board of Governors. They are collected by the College on behalf of the Students' Association in accordance with the Post Secondary Learning Act. Students' Association Membership Fees are assessed on a per credit basis. The fee for the 2018-2019 academic year is \$6.20 per credit.

Extended Health and Dental Plan

The Students' Association of Medicine Hat College provides an Extended Health and Dental Plan to member students. A mandatory fee for the Plan is assessed to you during the registration process; to verify if you are enrolled in the SAMHC Health & Dental Plan, check your fee statement and look for the "Student Association Health/Dental Fee" line items. The Plan provides coverage for expenses such as most prescription drugs, paramedical services and dental care. This Plan supplements provincial health coverage, it does not replace it. One must have coverage with a provincial health insurance plan to be an eligible member of the Plan.

Students who begin their studies in September will be charged the full amount for the health and dental coverage. This amount will cover students for the period from September 1 to August 31. New students who begin their studies after September will be charged a pro-rated amount for health coverage (there is no fee pro-ration for dental coverage).

Students who already have an equivalent extended health and dental plan may opt out of the SAMHC Health and/or Dental plan by providing Proof of Coverage (POC) information and by completing a waiver form before the opt out deadline. Students can also enroll their spouse and/or dependants by completing an enrolment process and paying an additional fee, over and above the mandatory fee (deadlines apply).

TUITION AND FEES

The SAMHC Extended Health and Dental Plan is not available to students who are registered only in the Spring/Summer sessions. The Plan fees for 2018-2019 academic year will be \$400 (\$185 dental, \$215 health). For further information such as Plan details, POC details or to opt out online (deadlines apply) please visit www.samhc.ca.

TUITION AND FEES

For most students, attending college provides new opportunities. It also brings new expenses such as tuition, books, special supplies, additional costs related to practicum, work terms and certifications as well as accommodations, transportation, food and day to day living costs. The goal of Medicine Hat College is to assist you to plan realistically for these expenses and to make you aware of various funding options so that these expenses do not become barriers to your academic success and career goals. Our Student Financial Aid Office is committed to assist you by providing awareness of the options and alternative programs available to finance your education (finaidinfo@mhc.ab.ca) or 403.504.3594.

Plan Ahead

When you are considering entering a program at Medicine Hat College, it is important to plan ahead, as many potential sources of financial support require application processes that take six to eight weeks from the time you first apply until you actually have money in your bank account. These processes often require that you provide detailed information about school, living expenses, sources of income support and personal resources.
