INSIDE THE CEREMONY

*O Canada
Our home and native land!
True patriot love in all of us command.*

*With glowing hearts we see thee rise,
The True North strong and free!
From far and wide,
O Canada, we stand on guard for thee.*

*God keep our land glorious and free!
O Canada, we stand on guard for thee!
O Canada, we stand on guard for thee!*

ON TRADITIONAL LANDS

Medicine Hat College acknowledges and honours the traditional territories of the First Nation People of Treaty 7 and Treaty 4, and of the Métis people who share a deep history with this land.

We recognize and honour the land, history, ways of being, and our relationship with First Nation, Métis, and Inuit people as we forge together towards a relationship of reconciliation, respect, understanding, and healing.

MEDICINE HAT COLLEGE HONOUR SONG

In the spirit of reconciliation, we are proud to welcome the Wild Tongues Drum Group and an Honour Song as part of Medicine Hat College's convocation celebration.

Located on traditional Blackfoot territory, Medicine Hat College is committed to recognizing Indigenous peoples who are an integral part of our communities. The significance of the Honour Song is one of reciprocity: we want to honour all students and their success with a traditional song from the Blackfoot territory, the place they have chosen to meet their educational goals.

ACADEMIC REGALIA

Students began wearing gowns in medieval times because gowns were the attire required by the church, and because they were needed to stay warm in unheated buildings. Patterned after monks' robes, the earliest academic gowns were made of heavy wool. The colours you see on academic regalia are assigned to the various academic disciplines, and sometimes reflect the college or university from which the wearer graduated.

Mortarboards, or 'oxford caps' trace their history to the square cap with a tuft on top that was awarded to students in the middle ages when they completed their courses of study and were recognized as 'masters.' The mortarboard should be worn level on the head so the tassel falls in a line perpendicular to the ground.

Tassels are attached to the button of the mortarboard. The usual practice is to have new graduates switch their tassels from the right side to the left after the academic qualification is conferred. At Medicine Hat College, members of the honours society Phi Theta Kappa wear gold cords during the ceremony.

PHI THETA KAPPA HONOURS SOCIETY

Medicine Hat College has a distinct history with this honours organization, becoming the first Canadian Chapter of Phi Theta Kappa in 1991. Since then, MHC has inducted over 4,000 students into this elite society, which continues to have strong representation on campus.

Following induction, a new member receives a gold embossed membership certificate, a membership identification card, a membership key pin, a diploma seal, and a transcript notation of membership. Each member is automatically nominated for inclusion in the prestigious National Dean's List biographical publication and is enrolled in the Society's Transfer Database, linking senior institutions offering scholarships to Phi Theta Kappa members. Members are accorded the privilege of wearing the society's gold cord at graduation.

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to send greetings to the Medicine Hat College Class of 2024.

Today is the end of one journey and the beginning of another. No matter where you are in life, or where you hope to go from here, Medicine Hat College has provided you with a solid foundation of skills and knowledge to help you create a vibrant future for yourselves, your families and your community. Each of you should be very proud of what you have accomplished, and of the determination and resilience you have demonstrated in pursuit of your goals.

Alberta is a place of incredible opportunity for people like you who are willing to put in the work. You are the movers and innovators who will shape our province and drive its growth. I look forward to what you will contribute to our culture and economy.

This moment is yours, and I hope it is a wonderful time of celebration with those closest to you. Congratulations and very best wishes for continued success.

Danielle Smith

Honourable Danielle Smith, Premier of Alberta

ALUMNI DECLARATION

As an alumnus of Medicine Hat College:

I will share my knowledge and skills with other people

I will strive to make a positive difference in my community

I will encourage others in the pursuit of higher education

I will continue on a life-long path of learning

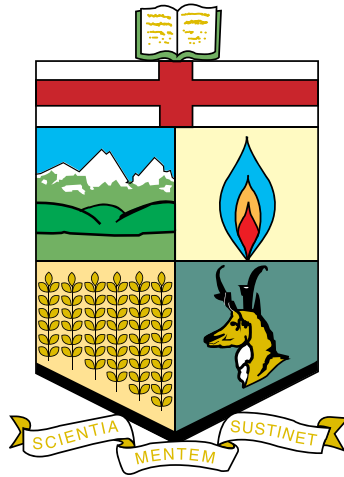

STAY CONNECTED

Congratulations to all Medicine Hat College graduates as you celebrate your achievements on this special day.

As you prepare to move into the next phase of your life, Medicine Hat College would like to remind you that moving ahead doesn't mean leaving us behind. We encourage everyone to keep in touch with their MHC roots by joining our alumni family. Stay informed of college news and events, access exclusive alumni benefits, share career updates, and stay connected with friends and faculty.

Visit www.mhc.ab.ca/alumni to register for a free alumni card, or contact alumni@mhc.ab.ca for more information.

“SCIENTIA MENTEM SUSTINET”

Dr. Walter Johns, President of the University of Alberta in 1965, suggested the Medicine Hat College motto which means, “Science and Knowledge Sustains the Mind”.

MEDICINE HAT COLLEGE COAT OF ARMS

The Coat of Arms was designed in 1965 by members of the Community Art Club in consultation with the Medicine Hat College Board of Governors and employees. The Coat of Arms was designed with three objectives in mind: to identify the College with Alberta, the University of Alberta, and the local district. This was done by retaining the Cross of St. George from the provincial Coat of Arms and those parts of the University of Alberta Coat of Arms which depict the mountains, foothills, and wheat fields. The pronghorn antelope and natural gas flame represent the district.
