

College Child Care Society of Medicine Hat

SUMMER PROGRAM Ages 7-10 Years
College Child Care Society of Medicine Hat
(We are separate from the college camps)
JUNE 30 - AUGUST 22, 2025
Held in Medicine Hat College

Please note the program's daily time change from last year. Also, note camp leaders begin June 23rd and will plan activities for the children *during this week*. Please provide daily lunch and snacks, water bottle, towel, clothes for water play, sunscreen, hat, and bug spray if you wish. Outdoor activities are weather dependent. If additional adult support is needed for your child, please provide that person. Limited enrollment.

FULL DAYS Monday – Friday, 8:30a.m. – 4:30p.m. (Closed statutory holidays) Choose 1- 8 weeks.
5% discount offered in Week #1 and Week #6

A: Option One: Weekly sessions First/Only Child \$210 per week
B: Option Two: Sibling Rate: First Child \$210/week, each sibling \$194/week

Register at Medicine Hat College on-line mhc.ab.ca/continuingstudies or stop in at the registration desk; please phone to register for sibling rate 403-529-3844

WEEK #1-AROUND THE WORLD (5% discount this week)

Summer's here! We'll have fun connecting through a variety of activities about things and places around the world. We'll enjoy indoor and outdoor games and activities borrowed from children around the world. Crafts and music and movement will be on the agenda. We'll grab our bagged lunches and head outside for picnics! It will be a week filled with many fun things as we start the school break. Come and make new friends and celebrate summer with us!

MON-FRI, JUNE 30-JULY 4 (closed Tues. July 1st), 8:30AM – 4:30PM

WEEK #2- SPACE

We are thinking solar system, the moon, rockets! There are so many ideas for activities around Space. We will have fun constructing, creating, and building all week long. There are space-based games in the works and some outdoor time as well. We will walk and explore on campus and take advantage of the wonderful environment we're in.

MON-FRI, JULY 7-11, 8:30AM-4:30PM

WEEK #3- UNDER THE SEA

Ideas for this theme are endless. Let's start with salt dough starfish, made from scratch, dried, and painted. As we create other creatures, children can add them to our "aquarium" on the wall. Under the Sea games, songs, riddles, and movement will be on the list this week, too. As always, we will head outside for themed activities, walks, and for picnics.

MON-FRI, July 14-18, 8:30AM-4:30PM

College Child Development Centre
299 College Drive SE
MEDICINE HAT, Alberta T1A 3Y6
Phone: 403-504-3694 Fax: 403-504-3677

WEEK #4- BEAT THE HEAT!

This could be a hot week in The Hat, so join us and stay cool! There will be water play, waterpark, and water challenges and games! We'll splash around in a city water park and stay cool outside right here on campus with water activities. We'll also have fun in the classroom with crafts, games, and eating some cold treats, too! Get ready, get set, and get wet! This will be buckets of fun!

MON-FRI, JULY 21-25, 8:30AM-4:30PM

WEEK #5- ART FROM THE HEART

Creative expression, self-expression...there are so many ways of expressing ourselves through art and we'll try a few of them! Let's see what you can create! If you have a creative talent or artistic hobby, we welcome you to share it with the group! It might get messy this week, but that's half the fun! We'll balance the week with lots of games and activities-both indoors and outdoors.

MON-FRI, JULY 28-AUG 1, 8:30AM-4:30PM

WEEK #6- MAD SCIENCE! (5% discount this week)

That's right, a week of cool science experiments! Science is amazing! We'll test and try all kinds of things to see what results we get. We will make a snack that involves science to *make it into* a snack. Do you have a favorite science experiment that's fun and safe to do? Please share your idea and we'll try it with the group! Beyond experiments, we'll enjoy games and activities indoors and outdoors.

TUE-FRI, AUG 5-8, 8:30AM-4:30PM

WEEK #7- SUPERHEROES

Who's your favorite superhero? The ideas this week are plentiful, and the camp leaders will have fun stuff on the go. Crafts, coloring, games, masks, physical activities, and much more. Pose for a picture with a cardboard Hulk. Wear your superhero things if you have some at home, and of course, we will go outside to run and play.

MON-FRI, AUG 11-15, 8:30AM-4:30PM

WEEK #8 ANIMALS

As the holiday winds down, we will make this week fun filled with lots of animal crafts of zoo animals, wild animals, or domestic animals. If you have pets, we welcome photos and will share stories about our furry loved ones. There will be animal charades and outdoor activities. During a walk down to Kin Coulee Park, we will watch for wild life and look for signs of these cohabitants. If the weather is nice, we may take our snack or lunch down to the park to enjoy. The kids will decide on some of the activities we do this week, and we'll write about or draw our best experiences of the summer.

MON-FRI, Aug 18-22, 8:30AM-4:30PM
