**Phone:** \_\_\_\_\_ **E-Mail:** \_\_\_\_\_

**Qualifications/Certification/Experience:** \_\_\_\_\_

---

The best instructor candidates for our program are individuals who combine a sincere interest in community service with a desire to supplement their existing income. Although our compensation is competitive with other continuing education programs, it must be understood that it cannot be regarded as primary employment. We cannot offer full-time employment to our instructors, nor is teaching for us a route to full-time employment within the college. Nonetheless, we are very interested in developing long-term relationships with successful instructors.
